## LIBRARY RULES

Dear Parents and Students,

Your child/children will be visiting the school library once a week during class time. We are looking forward to helping them develop more appreciation for books and to show them that the library can be more than just a place for reading. We plan to have story telling time with the younger students and some poetry reading with the older students.

Please emphasize to your child/children the importance of being responsible for their library books.

Following are some guidelines that we would like you to read and discuss with your child/children to make their library visit a pleasant one:

-  No food or drinks allowed in the library
-  Always have clean hands
-  Respectful behavior at all times
-  Limited talking in soft voices
-  Fees will be imposed for any late, damaged or lost books/material

Failure to abide by these rules may result in a suspension of library privileges.

Thank you for your cooperation

Please have each student sign this form.
